Block 4 Apart 2, Neighborhood 50 university functional accommodations  
Souk Ahras, Algeria

*Abdi Mohamed said is a Lecturer profissor in Business Administration at Mohamed Cherif Messaadia University - Souk Ahras. I wrote a large number of scientific articles and books in this field of business in Arabic, with a special focus over the past few years on decision-making methods. I am presenting a number of scientific articles. I held many administrative and pedagogical positions during my professional career, and I am now working as a lecturer in student training and supervising graduation notes, and I am somewhat devoted to research with the Economic Research Laboratory and a national research project on open innovation and emerging institutions.*
