

Les différentes formations du Domaine Sciences de La Nature et de La Vie
Habilitées at university Mohamed Cherif Messaadia

➤ **Cycle: License/ Duration: 03 ans**

N°	Initiation of the formation
01	Biochimie
02	Microbiology
03	Animal biology and physiology
04	Biology and vegetale physiology
05	Biologie et ecology des milieux aquatiques
07	Ecology and environment
08	Agro-ecology
09	Production Animale
10	Sciences Agronomics

➤ **Cycle: Master/ Duration: 02 ans**

N°	Initiation of the formation
01	Biochimie Applique
02	Ecotoxicology Animal
03	Biology Végétale et Environment
04	Ecosystems Aquatiques
05	Aquaculture
07	Ecologie Fundamental et Appliquée
08	Agro-ecology
09	Production Animale

➤ **Cycle: Doctor of the 3rd cycle LMD: Sur concours**

➤ Debouches

N°	License	Master Correspondant	Debouches
01	Biochimie	Biochimie Applique	<ul style="list-style-type: none"> ● Services Sanitaires ● Pharmaceutical department ● Biotechnology ● Quality control services ● Agroforestry Officer
02	Microbiology	Microbiology (vient d'être habilité)	
03	Animal biology and physiology	Ecotoxicology Animale	<ul style="list-style-type: none"> ● Parcs Nation Zoologique ● Direction of the environment ● Services Sanitaires ● Education in the national education
04	Biology and vegetale physiology	Biology Végétale et Environment	<ul style="list-style-type: none"> ● Direction des forêts ● Direction of the environment ● Biotechnology ● Services agricoles ● Education in the national education ● Agroforestry Officer
05	Biologie et ecology des milieux aquatiques	Ecosystems Aquatiques	<ul style="list-style-type: none"> ● Direction de l'hydraulique ● Algerien des eaux ● Parcs nationaux ● Agence des barrages ● Office nationale d'assainissement ● Direction of pêche and services agricoles
06	Aquaculture _ _ _	Aquaculture	
07	Ecology and environment	Ecologie Fundamental et Appliquée	<ul style="list-style-type: none"> ● Parcs nationaux ● Agence des barrages ● Haut commissariat de veloppement de la steppe ● Direction des forêts ● Direction of the environment
08	Agro-ecology	Agro-ecology	
09	Production Animale	Production Animale	<ul style="list-style-type: none"> ● Biotechnology ● Services agricoles ● Agro-alimentaire clerk
