

# Second call for Academic Applications

Academic Year 2025-2026

The National School of Nanoscience and Nanotechnology (NSNN), located in Sidi Abdellah (Algiers), is launching a **call for academic applications** to strengthen its teaching and research team "Via inter-institutional transfer" (MUTATION).

Founded in 2023, NSNN is a pioneering public institution dedicated to advanced training and research in **nanosciences and nanotechnologies**, with a mission to contribute to national and international scientific and technological development.

We are looking for **highly motivated and qualified faculty members (MCA)** with expertise in the following areas:

- ☐ **Analog Electronics**
- ☐ **Electronic Instrumentation and Measurements**

## Eligibility & Profile

Applicants must:

- ☐ Hold a **PhD** in a relevant field;
- ☐ Demonstrate **teaching experience** or potential;
- ☐ Show strong motivation for contributing to an **emerging institution**;
- ☐ Be committed to **academic excellence, innovation, and teamwork**.
- ☐ Fluent in english

## What We Offer

- ☐ A unique opportunity to shape the future of nanotechnology education in Algeria;
- ☐ Access to a dynamic, interdisciplinary academic environment;
- ☐ Opportunities for national and international collaboration;
- ☐ A growing infrastructure and proximity to key research centers.

## How to Apply

Interested candidates are invited to send:

- ☐ A detailed **Curriculum Vitae**;
- ☐ A **cover letter** outlining their interest and vision for contribution to NSNN;

Please send your application by email to: [jobs@nsnn.edu.dz](mailto:jobs@nsnn.edu.dz)

**Deadline for applications:** September 1st, 2025
